DECISION

**THE COMPTROLLER GENERAL
OF THE UNITED STATES**
WASHINGTON, D.C. 20548

FILE: B-205624

DATE: March 8, 1982

MATTER OF: Free-Flow Packaging Corporation

DIGEST:

GAO will not consider issues raised by protest when solicitation has been canceled.

Free-Flow Packaging Corporation protests allegedly unduly restrictive specifications in solicitation No. DLA-003-82-B-0001, issued October 15, 1981, by the Defense Depot in Ogden, Utah. The Defense Logistics Agency advises us that the solicitation in question was canceled and Free-Flow notified on or about February 11, 1982. This action renders Free-Flow's protest academic, and we therefore will not consider the matter. See American Electronic Laboratories, Inc., B-199930, October 16, 1980, 80-2 CPD 289.

The protest is dismissed.
